

# WIKA Customer Portal – A service for our customers

# Everything visible – at any time

The Customer Portal is WIKA's online platform for inquiries and orders – easier than ever. Here you will find your customer details, account settings and requirements. Prices as well as relevant order and product information can be easily accessed from anywhere at any time. Just a few clicks away.

### Your benefits:

- Quick and easy order process
- Real time view of prices and delivery times
- Available around the clock
- Standard products always available
- Fast product selection
- Web-based – no additional software needed
- Order, inquiry and quotation history viewable
- Simple product inquiry
- Convenient account administration
- Favorites list for products and configurations
- Extensive search function

Whether ordering standard products or inquiring about more complex products, the WIKA Customer Portal simplifies your day-to-day business and saves you valuable time in purchasing.

# Quicker to your destination – with the WIKA Customer Portal

### Product selector

Find the ideal product, quickly and easily.

### Order function

Order your products directly. Online – anytime.

### Delivery times and prices

Access real-time information on your price conditions and current delivery times.

### Documentation

View product data sheets and also invoices, order confirmations, delivery notes and quotations as PDFs.

### Configuration

Configure standard and complex products.

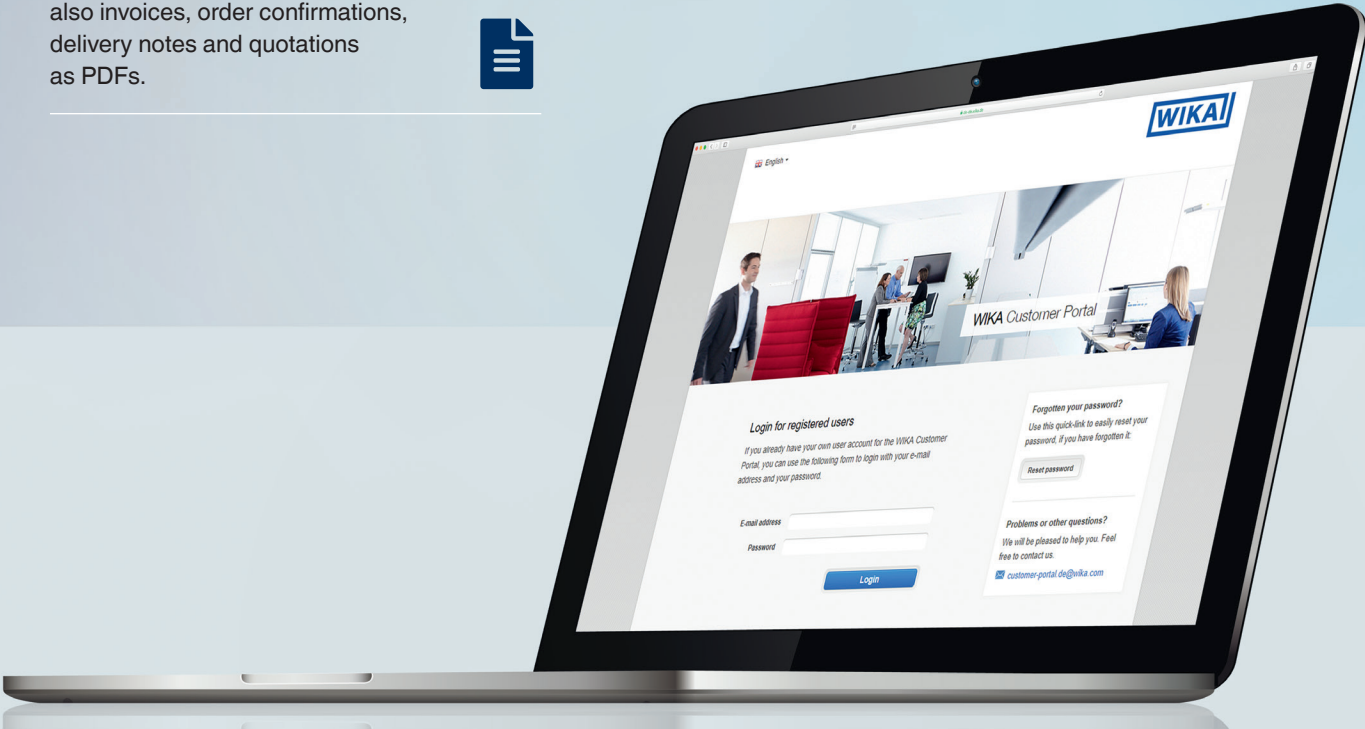

### Export of catalogue (optional)

Export product data easily as OCI, XML, etc.

### Order and delivery status

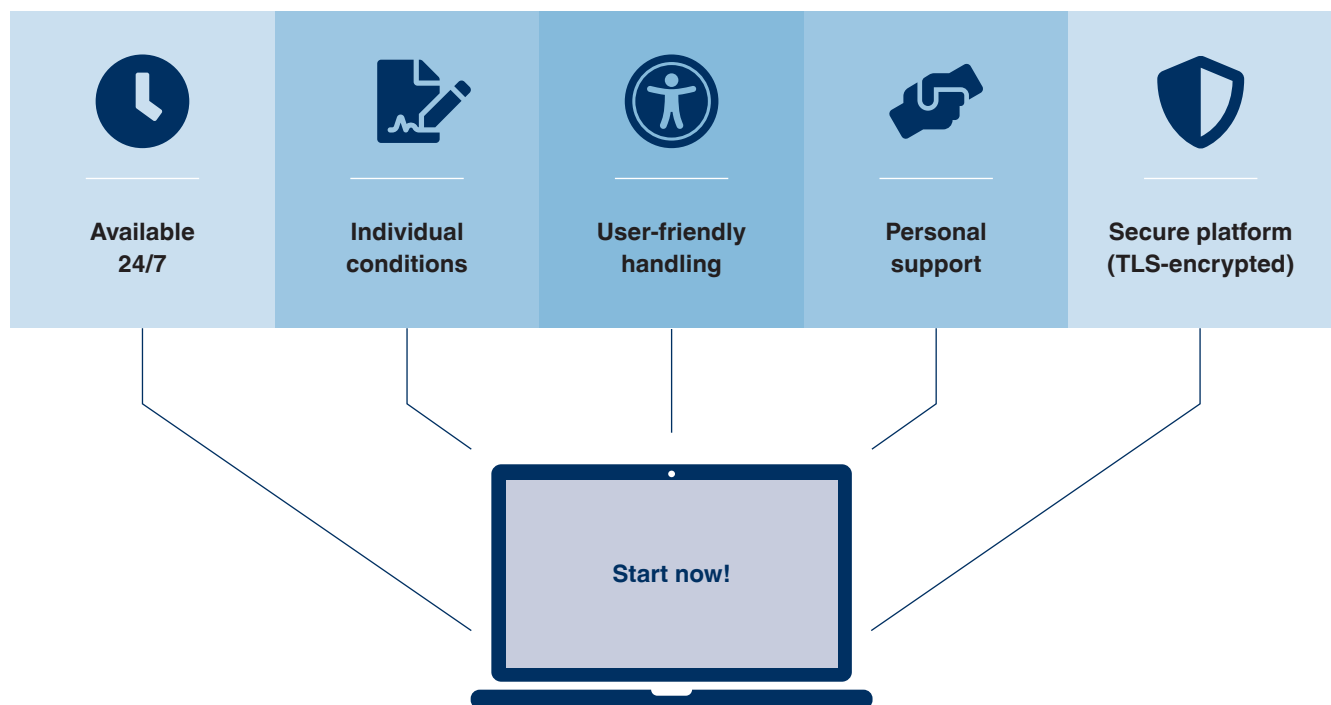

Maintain an overview of all inquiries, quotations and orders.

# One portal for everything

Search products, view orders, check account settings, save favorites – all bundled in a single portal. Our consultants can also help you choose the ideal solution online.

The WIKA Customer Portal is intuitive to operate and thus the most convenient, fastest and most secure route to your WIKA products.
