

## **WIKAI USA Offers Calibration Services to Customers**

March 6, 2019

### **Lawrenceville, GA – WIKAI USA offers calibration services in an effort to broaden service portfolio**

WIKAI USA is now offering calibration services to provide a more robust service portfolio for customers. Our dedicated inside sales team is ready to provide assistance, and may be contacted by emailing [calibration.us.services@wika.com](mailto:calibration.us.services@wika.com). Simply contact our team prior to returning the units, and provide the item part number, quantity, and name of the process media the unit(s) measure.

The WIKAI team will provide you with a estimated cost prior to sending in the unit.

If calibration exceeds these costs, our team will recommend replacement. Customers should accept or decline suggested replacements within 14 business days of the emailed evaluation. If the suggested replacement is declined or no response is received within 14 business days, an evaluation fee will apply and the unit(s) will be returned at the customer's expense.

Evaluation fees are:

WIKAI pressure gauges, transmitters, and thermometers: \$50 net/unit

Wallace & Tiernan models: \$75 net/unit

### **About WIKAI**

For 70 years, WIKAI has continuously advanced instrumentation for pressure, temperature, and level and flow measurement. Leveraging decades of experience, we developed a broad selection of stock and custom solutions as well as engineering services to support plant safety, productivity and profitability. A global leader in lean manufacturing, WIKAI has manufacturing locations around the globe, which enables flexibility and the ability to meet high delivery demands. [www.wika.us](http://www.wika.us)
