

WIKAI USA Coronavirus Response Information

March 16, 2020

Lawrenceville, GA – WIKAI USA shares business continuity plan in light of current COVID-19 outbreak

At WIKAI USA, there is no higher priority than the safety of our employees, customers, and business partners. As the threat of COVID-19 continues to evolve, we are closely monitoring the outbreak and recommendations from the U.S. Centers for Disease Control and Prevention (CDC).

In addition, as part of our business continuity plan, WIKAI's broad global manufacturing and supply chain network is continuously being monitored for interruptions and proactive adjustments to inventory levels are being made to mitigate customer interruptions.

While the local and global situation continues to be fluid, we will be updating the News section of our website with relevant information as needed. All updates will be posted here as soon as they are available: https://www.wika.us/company_news_exhibitions_news_en_us.WIKA

Thank you for your continued support of and trust in WIKAI USA.

If you have any questions, concerns, or comments please feel free to contact us at info@wika.com.

About WIKAI

For 70 years, WIKAI has continuously advanced instrumentation for pressure, temperature, and level and flow measurement. Leveraging decades of experience, we developed a broad selection of stock and custom solutions as well as engineering services to support plant safety, productivity and profitability. A global leader in lean manufacturing, WIKAI has manufacturing locations around the globe, which enables flexibility and the ability to meet high delivery demands. www.wika.us
