GA11 Trade-In Agreement

This Trade-In Agreement ("Agreement") is entered into between **WIKA Instrument, LP.** with an address of 1000 Wiegand Boulevard, Lawrenceville, Georgia 30043 ("WIKA") and **Customer**, requesting the participation in the trade-in program.

1. Trade-In Program/Credit

Customer is purchasing one or more new WIKA GA11 gas analyzers. As part of this promotion, Customer may trade in qualifying existing gas analysis equipment, including WIKA or competitor devices.

The purchase of the new GA11 unit(s) will be processed as a standard sale at the agreed purchase price. Upon WIKA's receipt and acceptance of the eligible trade-in equipment, WIKA will issue a trade-in credit of up to USD \$5,000 per qualifying unit through WIKA's standard Return Material Authorization (RMA) process. No trade-in credit will be issued unless and until the qualifying trade-in unit is received and accepted by WIKA. If the Customer fails to return the trade-in unit, returns an ineligible unit, or the unit is rejected pursuant to this Agreement, no trade-in credit shall be issued. One (1) trade-in unit is eligible for one (1) trade-in credit, and only one (1) trade-in credit may be applied to each new GA11 unit purchased.

Trade-in credits may not be combined, stacked, aggregated, or otherwise accumulated. The trade-in credit is non-transferable, has no cash value, and may not be redeemed for cash.

2. Eligibility

There is no age restriction for eligible trade-in equipment. WIKA reserves the right to determine eligibility and acceptance of the traded equipment upon receipt and its inspection.

3. Shipment and Labeling Responsibilities

Customer is solely responsible for:

- Following WIKA RMA guidelines;
- Packaging the trade-in equipment in a safe manner suitable for transportation;
- Arranging and paying for all shipping, freight, handling, and insurance charges associated with the return;
- Ensuring all packages are correctly labeled and shipped in accordance with applicable laws, regulations, and carrier requirements; and
- Obtaining any required shipping documentation.

Risk of loss remains with Customer until the trade-in equipment is received by WIKA.

4. Hazardous Materials Certification

Lawrenceville, GA
Tel: (770) 513-8200

Houston, TX
Tel: (713) 475-0022

Chambersburg, PA
Tel: (717) 217-2200

Columbus, OH
Tel: (614) 430-0683

Boulder, CO
Tel: (303) 443-6611

Customer represents and warrants that all returned equipment:

- Has been properly decommissioned;
- Is free of SF6 gas or any other hazardous substance requiring special handling, unless otherwise disclosed and approved in writing by WIKAL prior to shipment;
- Does not contain hazardous waste, hazardous materials, or dangerous goods as defined by applicable federal, state, local, or transportation regulations; and
- May be transported and handled safely using standard commercial shipping methods.

Customer shall be responsible for all costs, damages, liabilities, fines, penalties, or claims arising from any inaccurate or incomplete certification regarding the condition of the returned equipment.

5. Inspection and Acceptance

WIKAL reserves the right to inspect all returned equipment upon receipt. If the returned equipment is materially different from the information provided by Customer, improperly shipped, hazardous, or otherwise ineligible for the program, WIKAL shall notify the Customer and may reject the trade-in and withhold the trade-in credit.

6. Governing Terms

Except as expressly stated herein, all sales, returns, credits, and related transactions are subject to WIKAL's then-current Standard Terms and Conditions of Sale, which are incorporated herein by reference. In the event of a conflict between this Agreement and WIKAL's Standard Terms and Conditions of Sale, this Agreement shall control solely with respect to the trade-in program.

7. Program Expiration

The GA11 Trade-In Program is available for qualifying orders placed on or before August 31, 2027. To receive the trade-in credit described in this Agreement, Customer must submit a purchase order for a new GA11 and comply with all applicable program requirements no later than August 31, 2027. Any trade-in credit remains subject to the terms and conditions of this Agreement, including, without limitation, the requirements set forth in Section 1 (Trade-In Program).

WIKAL reserves the right to modify, suspend, or terminate the GA11 Trade-In Program prior to such date; provided, however, that any qualifying order accepted by WIKAL before the effective date of such modification, suspension, or termination shall remain eligible for the applicable trade-in credit under the terms of this Agreement.

By signing up for the trade-in program, the customer acknowledges and agrees to be bound by the terms and conditions of this Agreement.
